FULL, HALF DAY & EVENING CRUISES

OPTION 1

Corinthian Gulf Cruise

Pounta - Agios Ioannis – Trizonia - Marathias – Monastiraki

OPTION 2

Lepanto Cruise

Pounta - Agios Ioannis – Trizonia

Step aboard for a joyful cruise with stops at the most scenic spots of Corinthian Gulf.

This cruise is suggested for all ages and includes a touch of luxury, fun and adventure while enjoying the sea and the sun. If we are lucky, we will be meeting dolphins following our journey while playing around our boat. Smell, hear, see and feel the sea, on aboard our yacht.

DESTINATIONS

A very scenic trip, heading to Punta beach of Trizonia island, leaving back Naysactos and the majestic Rion - Antirion Bridge. We stop at the turquoise waters of Punta beach for swimming and snorkeling. Relax while the crew offers you refreshing local fruits and a glass of the traditional Greek ouzo.

Agios Ioannis: We will pass by the small isolated private island of Agios Ioannis. Enjoy the scenery, the crystal blue – green waters and the small lagoon formation on the back of the beach. We will cruise along the beach, take a few photos, go through the Trizonia complex channel and head to the central port of Trizonia.

The only inhabited island of Corinthiakos bay, Trizonia Island is a fantastic destination for everyone. Enjoy a local seafood in the traditional taverns just a few steps from the seaside. For all of you that want to continue with swimming and snorkeling, just walk around the small island and choose the best spot.

Marathias: The fishing and picturesque village of Marathias is worth a visit for a refreshing stroll, ice cream, visits at the local shops.

Monastiraki: Here you may choose either to enjoy the sea by the well organized beach bar or visit the village for lunch at the local taverns. On our way back, you will have the chance to admire the astonishing Blue Lakes beach.

OPTION 3

Sunset Cruise

Rion - Antirion Bridge - Lighthouse of Drepano

Experience a romantic & luxury evening on board!

Enjoy an unforgettable evening with a fully crewed boat, cruising along the coastline while the sun disappears in the horizon.

Sip your drink on the comfortable deck, admire the majestic Rion-Antirion bridge and the colorful sunset. Take beautiful photos and take these memories back with you. Romance & luxury, fun & special moments with your beloved ones, all in one during the evening cruise. As the sun sets and before we head for Naysactos we will pass by the point, where the two seas (Corinthian Gulf & Patraikos Gulf) become one. This is the point where the majestic lighthouse of Drepano stands for decades and navigates the passing ships from 1880. The lighthouse & the small peninsula create an amazing scenery. Admire and enjoy!
